

GOLD COAST

BY XAVIER DOWD

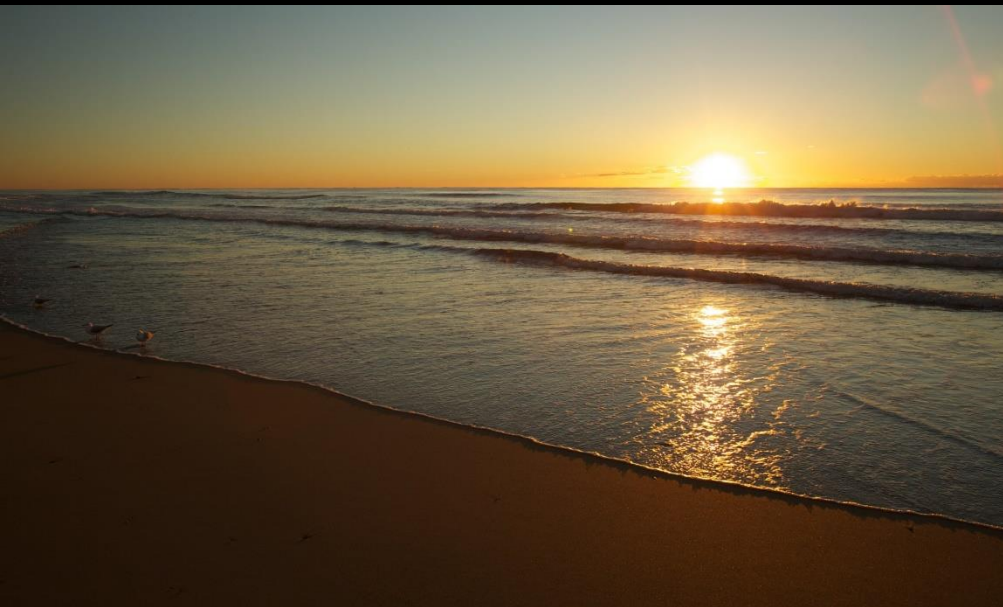

PLACE AND SPACE

The Gold Coast is located in Queensland, near the Sunshine Coast. It is an urban city full of surfers and parties. It has heaps of tourist attractions like the theme parks and the Q1, the tallest building in Australia. You can even leave the skydeck to **climb right to the point!**

ENVIRONMENT AND INTERCONNECTIONS

Surfers Paradise is in the heart of the Gold Coast, with a perfect beach and a food court close by. Don't worry, there is a McDonalds right next to the beach in Cavill Avenue. The environment is mainly buildings throughout the Gold Coast, with a Timezone and bowling near the beach.

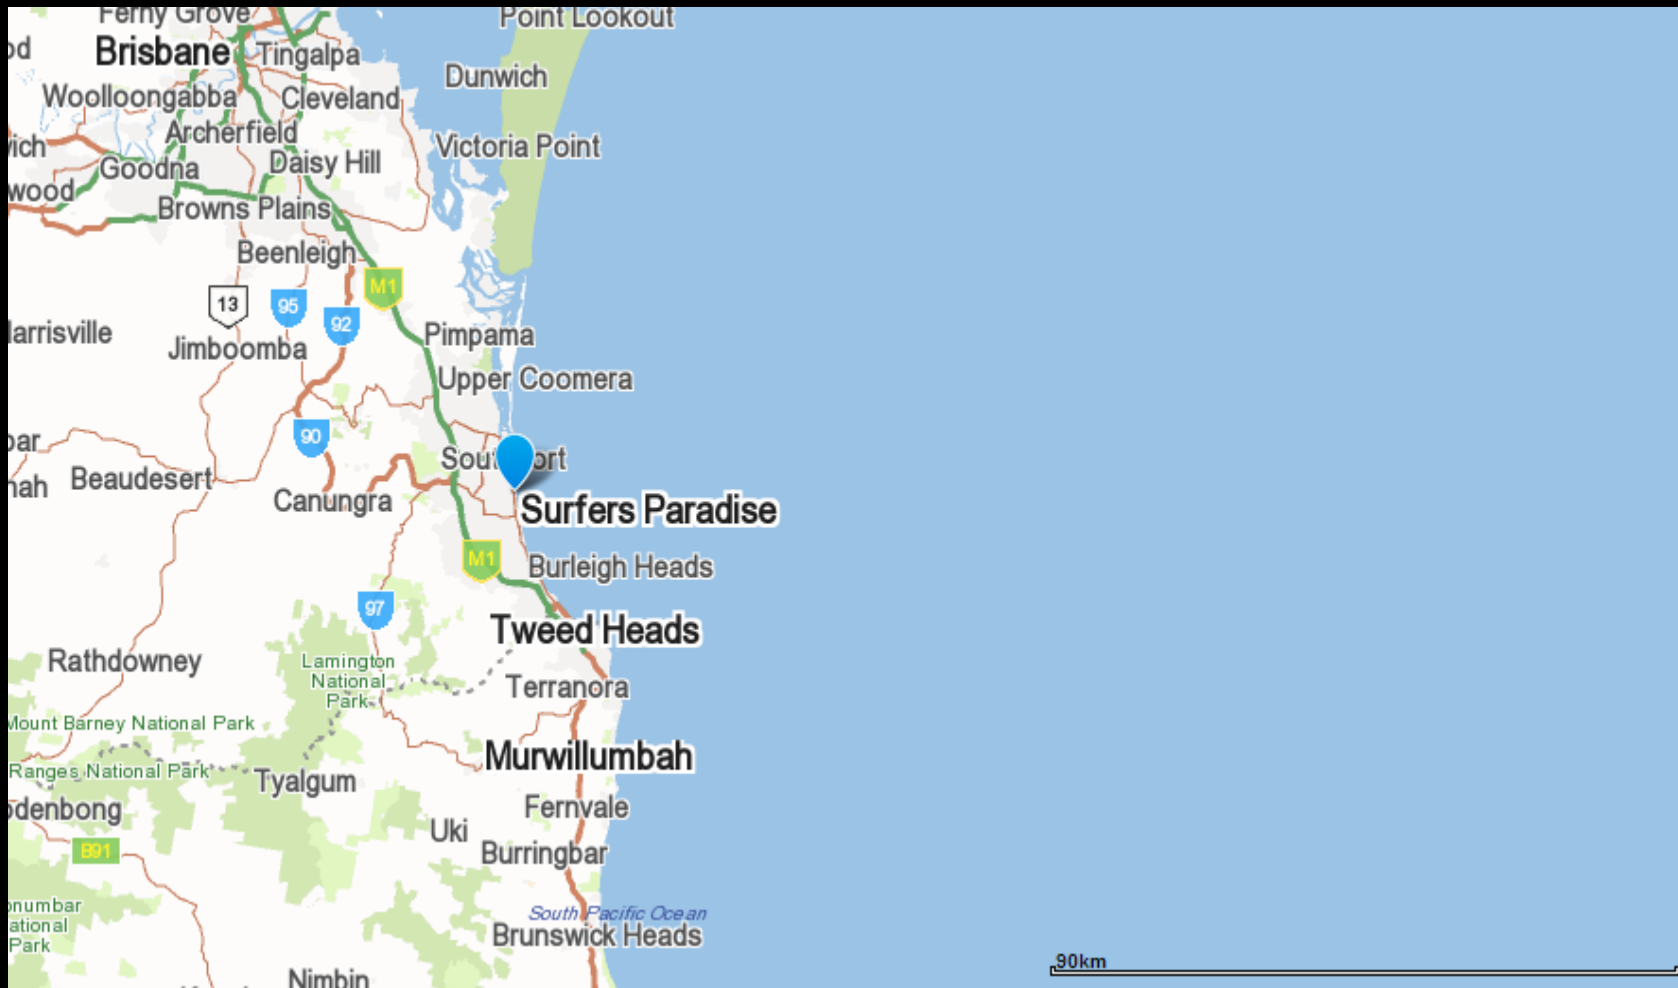

SUSTAINABILITY AND CHANGE

The Gold Coast is sustainable, with rubbish bins and recycling bins in all major place. It also constantly changes, with **BIGGER AND BETTER** attractions being made, like new rides at theme parks.

GABBA

The Gold Coast is only an hour away from Brisbane, which means you can head down to the Gabba to watch the footy or go to Metricon Stadium on the Gold Coast.
